

San Francisco State University – Downtown Campus  
835 Market Street, San Francisco, CA 94103  
Michael Meeks: Room 592... 415-778-4000 (meeks@sfsu.edu)

The SF State Downtown Campus is located in the Westfield San Francisco Centre on Market at Powell.

### Easy to Get Lost

- We are part of the Westfield Center, but we have a separate elevator system.
- Easiest Directions: Enter through the doors off Market Street (street level - we have our own entrance – look for the purple banner above our door). These elevators will take you directly to us (5<sup>th</sup> floor).
- From the food court and some shopping areas: walk toward the elevators. When you reach the first set of elevators continue walking around the corner until you arrive at our elevators. Go to the 5<sup>th</sup> floor.

### Michael Meeks' Office

- I am in room 592 (5th floor). Upon reaching the elevator lobby on the 5th floor you can walk toward the reception area, or turn and walk in the opposite direction toward the rest rooms, and if you veer slightly right while walking toward the rest room you will walk through doors (usually open) to the faculty offices. My office is about 20 feet beyond these doors. If the doors are closed (it's rare) then simply knock loudly and, if I am in my office, will open the doors).
- If you are unable to find my office, or locate me, please check with someone at the reception desk, or someone in the Graduate Office (behind the reception desk).
- I typically teach in room 556 or 557 (from the elevator lobby go to the reception desk and take a hard left turn – these rooms are down about 200 feet on your right).
